Description

KHS Platoon Black Steel Solar Watch

The **KHS Platoon Solar** is inspired by the proven U.S. Army specification MIL-W-46374F for Special Forces, also known as the "GI Basic Field Watch." This watch is issued to most U.S. soldiers as part of their equipment. The highly efficient, inactive luminous material reliably illuminates the dial and hands at night. Additionally, the new KHS Platoon Solar features an illuminated KHS Eagle logo on the dial.

Key Features:

- **Case:** Black IP-coated stainless steel case, black IP-coated stainless steel case back, stainless steel crown.
- **Glass:** Extra-hardened mineral glass for durability.
- **Water Resistance:** Rated to 10 bar, making it suitable for various outdoor activities.
- **Dial and Hands:** Matte black dial with Arabic numerals and three hands (hour, minute, and second).
- **Movement:** Solar-powered quartz movement with three hands.
- **Functions:** Hour, minute, central second, stop-second function when crown is pulled, easy handling.
- **Energy-Saving Function:** Reduces power consumption by 70% when the crown is pulled, along with magnetic field shielding (18.8 Oe) and shock resistance (NIHS 91-10). Operating temperature: 0-50 °C.
- **Quick Start Function:** When the battery is low, exposing the watch to
