Description

KMFS Leather Strop

Achieve flawless blade sharpening with the KMFS leather strop, the perfect tool for cleaning and polishing your blade after sharpening. This high-quality strop ensures your blades are free from tiny impurities, leaving you with a perfectly honed edge. It is used with KMFS sharpening devices or other devices where a leather strop is used as a base. Use with any type of polishing paste applied to the leather before polishing.

Features:

- **Efficient blade cleaning:** Removes microscopic impurities from the steel, ensuring your blade is clean and ready for perfect polishing.
- **Superior polishing:** Enhances the sharpness and shine of your blade,
