KMFS Leather Strop

Achieve flawless blade sharpening with the KMFS leather strop, the perfect tool for cleaning and polishing your blade after sharpening. This highquality strop ensures your blades are free from tiny impurities, leaving you with a perfectly honed edge. It is used with KMFS sharpening devices or other devices where a leather strop is used as a base. Use with any type of polishing paste applied to the leather before polishing.

Features:

- Efficient blade cleaning: Removes microscopic impurities from the steel, ensuring your blade is clean and ready for perfect polishing.
- · Superior polishing: Enhances the sharpness and shine of your blade,
