Description

Introducing the LENSOLUX 1-Piece Quick-Change Lever Mounting, designed specifically for Weaver or Picatinny rails with a 21.5 mm width. This high-quality mounting provides a reliable and efficient solution for attaching accessories to your firearm.

Key Features:

1. **Superior Quality:** The LENSOLUX 1-Piece Quick-Change Lever Mounting is renowned for its sophisticated design and exceptional price-to-performance ratio. Constructed from high-strength aluminum, this mounting offers outstanding durability and longevity. Its matte black coating provides protection against corrosion, ensuring it withstands the rigors of regular use.
2. **Uncompromising Stability:** With its four socket screws and removable metal rings available in 25.4 mm or 30 mm diameter options, this mounting offers exceptional stability. The clamping mechanism enables quick and straightforward fastening, keeping your accessories securely in place.
