Description

Introducing the LENSOLUX 1-Piece Quick-Change Lever Mounting, designed specifically for Weaver or Picatinny rails with a 21.5 mm width. This highquality mounting provides a reliable and efficient solution for attaching accessories to your firearm.

Key Features:

- 1. Superior Quality: The LENSOLUX 1-Piece Quick-Change Lever Mounting is renowned for its sophisticated design and exceptional price-toperformance ratio. Constructed from high-strength aluminum, this mounting offers outstanding durability and longevity. Its matte black coating provides protection against corrosion, ensuring it withstands the rigors of regular use.
- 2. Uncompromising Stability: With its four socket screws and removable metal rings available in $25.4 \ \text{mm}$ or $30 \ \text{mm}$ diameter options, this mounting offers exceptional stability. The clamping mechanism enables quick and straightforward fastening, keeping your accessories securely in place.
