Description

Introducing the LENSOLUX 2-Piece High Quick-Change Lever Mounting, the ultimate solution for swift and hassle-free optical changes on your Weaver or Picatinny rail system. This high-performance mounting ensures you're always prepared for rapid transitions, eliminating the need for time-consuming readjustments.

Key Features:

1. **Rapid Optics Switching:** The LENSOLUX 2-Piece High Quick-Change Lever Mounting allows you to effortlessly switch to a reflex sight or other optics without the need for readjustment. Experience seamless transitions and maintain your shooting flow with ease.
2. **Exceptional Quality:** Crafted from high-strength aluminum, this mounting is engineered to withstand rigorous use while providing outstanding durability. The matte black coating offers corrosion resistance, ensuring long-lasting performance.
3. **Unwavering Stability:** The LENSOLUX 2-Piece High Quick-Change Lever Mounting ensures optimal stability with its four socket screws and

removable metal rings. Choose between 25.4 mm or 30 mm diameter options to accommodate various optics. The clamping mechanism allows for quick and effortless fastening.

4. Versatile Height: With a height of 40 mm to the center of the rings, this mounting provides ample clearance for a wide range of optics, allowing for comfortable and ergonomic shooting positions.
5. Expandable Rail: The 21.5 mm rail on top of the mounting offers compatibility with a vast array of accessories, allowing you to customize your firearm setup to suit your needs and preferences.
6. Convenient Setup: The LENSOLUX 2-Piece High Quick-Change Lever Mounting comes with a mounting Allen key included, ensuring a hassle-free installation process.

Experience the unmatched convenience and reliability of the LENSOLUX 2-Piece High Quick-Change Lever Mounting. Renowned for its exceptional price-to-performance ratio, this mounting provides a sophisticated solution for your optical needs. Equip your firearm with this high-quality mounting and enjoy seamless transitions between optics with ease.

Note: The LENSOLUX 2-Piece High Quick-Change Lever Mounting is compatible with 21.5 mm Weaver or Picatinny rails. Please verify compatibility with your optics and firearm before making a purchase.
