Description

LENSOLUX Bi-Pod adapter for 21.5 mm Weaver / Picatinny rail with quick release

LENSOLUX mountings are sophisticated and well-known for the special price / performance ratio. Made of high-strength aluminum and protected by a matt black coating against corrosion.

This adapter allows to assemble or dis-assemble the Bi-Pod in seconds. No annoying screwing is necessary, and the bipod does not interfere with the transport of the weapon.

The adapter is 50 mm long, the diameter of the receiving bore is 3.5 mm.

Made in Germany.
