Description

The Emergency Strobe Light is an essential outdoor survival item for any serious adventurer.

The Strobe serves as a vital visual aid for search and rescue services, should you be lost, injured or need assistance when outdoors at night. Visible for up to 1 mile on a clear night, the strobe is lightweight and easy to use, and emits 120 flashes per minute from the high-powered LED. The Lifesystems strobe is one of the lightest and most compact emergency strobes on the market.

- Bright orange outer casing
- High-powered LED with up to 1 mile visible range
- 120 strobe flashes per minute
- Easy twist on/off operation
- Waterproof to 300 metres
- Impact resistant casing with secure strap
- Up to 100 hours battery life
