Description

This comfortable, perfect-fitting and highly protective ZEPHYR GTX® LO TF is designed in particular for missions conducted on easy terrains. It is the boot of choice for all people who are looking for a multi-purpose, waterproof task-force boot that also has what it takes to become their favourite leisure-time footwear. Thanks to the very high suede and fabric upper, it offers good stability and is ideal for use even in very damp conditions.

LOWA Zephyr LO Task Force are light, multifunctional boots. The convenience of wearing these boots has boosted their popularity in military forces around the world.

- **Upper:** 1.4-1.6 mm boot jacket in combination with Cordura nylon material
- **Closure:** Closed loops and textile loops in the foot of the boot. Provides close and comfortable boot closure. Designed for the boot to be hooked up and thrown in as short a time as possible. The length of the boot cords ensures that the boots can be pulled out and pulled without the cord being pulled out of the upper locking eyes.
- **Lining:** A fast drying shoe textile material.
- **Midsole:** The patented polyurethane "Monowrap" design that provides a lightweight boot weight while providing the ultimate in comfort and stability. Optimal foot support and foot protection in a challenging area.
- **Sole:** LOWA Cross sole. Hiking-oriented sole with good grip on any
