## Description

The multi-functional mission boot ZEPHYR MID TF Ws is a veritable classic. The women's version of this comfortable boot with the mid-cut upper is widely known for its pleasant fit and distinct design. It is the boot of choice for anyone who is looking for robust, multi-faceted footwear that offers well-considered functionality. It is the perfect footwear for use in arid, hot regions. Thanks to its stable upper made of a durable combination of suede leather and fabric, the ZEPHYR MID TF Ws provides exceptional support and grip on a large range of terrains. The lightweight design with the distinctive STABILITY FRAME defines the look of the boot and highlights the long-term wearing comfort provided by this proven task force classic.
