### Description

#### **Luminox Leatherback Sea Turtle Giant XS.0321.L**

##### **– 44mm CARBONOX™ Watch**

The **Luminox Leatherback Sea Turtle Giant XS.0321.L** combines lightweight performance with bold readability. Featuring a robust **44 mm CARBONOX™ case**, this Swiss Made timepiece delivers durability while remaining exceptionally light at approximately 50 g.

With **100 meters / 10 BAR water resistance**, a rotating bezel and stainless steel case back, it is well suited for everyday wear and active lifestyles. The black dial with white numerals ensures high contrast readability during the day.

At night, visibility is maintained by **Luminox Light Technology (LLT)**, providing constant glow illumination independent of external light sources for years. Additional features include a **day-date display** and a 24-hour indicator.
