Description

Lynxgear Metal Binding Book Ring - 15 mm, Stainless Steel (2 pcs)

The **Lynxgear Metal Binding Book Rings** are a simple and durable solution for organizing notes, documents, maps, and field materials. Made from **stainless steel 304**, these rings are designed for both everyday and outdoor use where reliability matters.

Practical Organization Tool

These binding rings allow you to create flexible and modular note systems. Easily combine printed materials, handwritten notes, maps, or reference sheets into one compact set.

- Organize loose documents and notes
- Create custom notebooks or field manuals
- Combine different paper types in one system
- Quickly add or remove pages

Built for Outdoor Use

Unlike standard office solutions, these rings are made from **corrosion-resistant stainless steel**, making them suitable for use in outdoor environments, including влажные or dirty conditions.

- Resistant to corrosion and moisture
- Suitable for field use and EDC kits
- Reliable in changing weather conditions

Optimal Size and Capacity

With a **15 mm diameter**, each ring can hold approximately **up to 100 sheets of standard paper**, depending on thickness.

Diameter	15 mm (outer)
Wire thickness	2 mm
Material	Stainless Steel 304
Quantity	2 pcs

Versatile Applications

- Field notebooks and navigation notes
- Map organization systems
- Training materials and manuals
- EDC document organization
- Office and everyday use

Why Choose Lynxgear Binding Rings?

- Durable stainless steel construction
- Reusable and long-lasting
- Suitable for outdoor and professional use
- Simple and reliable mechanism
- Compact and easy to carry

Safety Information

This product contains metal parts with firm closing tension. Use carefully to avoid pinching fingers during opening and closing.

Glossary

- **Binding ring:** a circular metal fastener used to hold loose sheets together
- **Stainless steel 304:** corrosion-resistant steel suitable for outdoor and humid environments
