Description

Pocket search mirror CS-MP provides a quick and effective visual search capability for law enforcement officers and individuals with personal security concerns. In addition, specialized task units often require a similar capability optimized for tactical use.

The mirror is equipped with a glass convex mirror, telescopic arm and a miniature flashlight. The mirror folds flat for carrying in a jacket/uniform pocket or bag.

The mirror part can be adjusted for angle and provides a wide field of view. The telescopic handle extends to 460mm. The flashlight can be used with the mirror open or closed.

Set includes:

1. Pocket search mirror CS-MP,
2. Protective bag.
