Duty disclaimer: Magnum Rescue models are fully functional but not engineered for daily abuse by career first-responders. For heavy professional use consider Böker Plus Savior or FKMD A.L.S.R. 2.

Safety & handling

- Keep blade sharp - dull edges slip more easily and require extra force.
- Cut away from your body and maintain firm grip to prevent slips.
- Never pry; the blade is not a lever and may snap or fold unexpectedly.
- Store folded in a sheath; keep out of children's reach.
