Description

Masterplast Freeze Gel Muscle Relief & Comfort 200ml

Description:

Indulge in soothing relief with **Masterplast Freeze Gel**, a muscle relief and comfort solution thoughtfully presented in a generous 200ml container. Crafted to offer targeted relief to tired and aching muscles, this freeze gel blends cooling menthol with a delightful gel texture for swift absorption. Whether for post-exercise recovery or calming everyday muscle discomfort, the non-greasy formula ensures comfort without residue. Experience the invigorating sensation and comfort provided by Masterplast Freeze Gel.

Benefits:

- Targeted relief for tired and aching muscles
- Cooling menthol formula for an invigorating sensation

ORDER CONFIRMATION

- Swift absorption with a non-greasy gel texture
- Generous 200ml container for extended relief
- Ideal for post-exercise recovery and everyday muscle discomfort

Directions:

Apply Masterplast Freeze Gel to the affected area and gently massage into the skin. Repeat as necessary, allowing the gel to absorb for optimal relief. Wash hands thoroughly after application. For external use only. Avoid contact with eyes, mucous membranes, and broken skin. Do not use on children under 3 years old. If irritation occurs, discontinue use. Store in a cool, dry place and keep out of reach of children.

Warnings:

- For external use only
- Avoid contact with eyes, mucous membranes, and broken skin
- Not suitable for children under 3 years old
- If irritation occurs, discontinue use
- Wash hands thoroughly after application
- Store in a cool, dry place and keep out of reach of children
