Description

Masterplast Soft Feet Foot Powder, 170 g

Masterplast Soft Feet Foot Powder is designed to **keep your feet fresh, dry, and odor-free**. Its unique moisture-absorbing formula helps prevent excess sweat, which can cause discomfort, blisters, and unpleasant odors. Additionally, it provides **antifungal protection**, making it ideal for everyday use, sports activities, and long hikes.

Key Features:

- **Absorbs moisture** - Keeps feet dry and prevents excessive sweating.
- **Eliminates odors** - Neutralizes unpleasant foot odors caused by bacteria.
- **Soothes and refreshes** - Leaves feet feeling cool and comfortable.
- **Reduces friction** - Helps prevent blisters by keeping feet dry.
- **Multi-use** - Can also be applied to **bandages and plasters** to prevent them from sticking to clothing.

How to Use:

1. Use daily after a shower or bath.
2. Dry your feet completely, especially between the toes.
3. Sprinkle the powder over your feet and gently rub it in.
4. Shake off any excess powder.
5. Close the lid tightly after use.

Pro Tip: If using before hiking or long walks, make sure your feet are clean and dry before applying the powder to **avoid moisture clumps**.

Ingredients Explained:

- **Zea Mays (Corn) Starch** - A natural, plant-based absorbent that keeps feet dry.
- **Salicylic Acid** - Helps remove dead skin and prevents fungal infections.
- **Methyl Salicylate** - Provides a mild cooling effect and soothes discomfort.

Important Information:

- **For external use only** - Avoid contact with eyes. If irritation occurs, discontinue use.
- **Keep out of reach of children** - Not suitable for children under 6 years old.
- **Storage** - Use within **12 months after opening**.

Product Details:

- **Weight:** 170 g
- **Packaging:** Plastic bottle (Size: 160 x 64 mm)
