Description

When you need to increase visibility and decrease risk, reach for 'Tenacious Tape' Reflective. Use for On-Spot repairs and increases visibility and safety at night or in low-light conditions.

Utilizes glass bead reflective technology to reflect light better than any coloured or fluorescent tape.

Cut into the required shape and size and stick onto backpacks, clothing, tents, footwear, bikes, caravans, cars and even pet accessories etc.

The ultra-aggressive adhesive sticks to almost any surface without peeling and the waterproof fabric repair tape performs in both wet and dry conditions. Safety marking for clothing, backpacks, helmets, Caravans, bicycles, footwear etc.

- **High Visibility** - Enhance safety at night or in low-light conditions with tape featuring glass bead reflective technology
- **Peel & Stick** - No sewing skills or heat required; simply remove backing and apply with pressure to outerwear and gear
- **Washable** - Ultra-strong repair tape bonds to outdoor/synthetic fabrics including nylon and vinyl, and won't peel off during a wash
