Description

Mesh Coat with short sleeves and a detachable hood. The whole set is made of high quality, strong and breathable 100% nylon mesh.

The whole coat is covered with elastic straps for mounting the masking elements, such as yarn or vegetation. This solution allows for quick adaptation to suit local conditions. What important, Mesh Coat is designed not to restrict access to the equipment carried on a vest or belt.

Mesh Coat is fastened with three adjustable straps with composite buckles - two of them are placed on the chest and one long at waist. The kit also includes a hood with drawstring adjusted circuit. Hood is attached to coat with Velcro and three metal snaps.

Whole set is packed in a convenient mesh bag.

Construction is easy customizable if needed.

Properties:

- Clip closure in the front
- Hood detachable by press buttons
- Drawstring for size adjustment
- Coat and hood with various loops
- Carrying handle on the back
- Transport bag with loop and drawstring
