Intended Use

- Camping and trekking
- Bushcraft and survival training
- Military and tactical field use
- Ground insulation inside tents or shelters
- Seat mat when folded

Frequently Asked Questions

What is a sleeping pad? A sleeping pad is a thin, insulating mat used for sleeping on the ground. It provides a comfortable surface and helps to protect the sleeper from the cold ground. It is typically made of a soft, flexible material like foam or air, and can be folded up when not in use.
