How to measure:

- Measure **hand circumference** around the knuckles (without the thumb).
- Measure **hand length** from the wrist crease to the tip of the middle finger.

Care & Maintenance

- Not machine washable. Clean with a damp cloth or rinse with mild/cold water and hang dry.
- Always inspect before and after use (seams, holes, cracks, discoloration, worn parts).
- Do not repair damaged gloves - replace if damage or serious contamination is detected.
- Store in a cool, dry, dark place in original packaging; avoid direct sunlight.

User Manual

- [Instructions for Use \(PDF\)](#) - MoG Target Combat 9106
- [Official Size Chart \(PDF\)](#)

EU Declaration of Conformity

FAQ

Are these gloves touch screen compatible? have conductive suede patches for touchscreen use.

Do they protect against heat? protection on the palm area: DexSuede can protect against 100°C for up to 10 seconds. They are not flame resistant and should not be exposed to open flame.

What does the D3O® knuckle protection do? protection level 1 for accidental bumps and knocks while keeping a slim, flexible profile.

Can these gloves withstand chemicals? chemical protection and should not be exposed to chemicals.
