### Description

Naturehike MJ02 NH19Y002-J towel is an essential for active people and travelers. Thanks to its well-thought-out design, the product guarantees quick drying and high absorbency.

The towel is made from a combination of polyamide (12%) and polyester (88%), which ensures exceptional durability and softness to the touch. As a result, the product is durable against damage, yet very lightweight.

One of the key features of the Naturehike towel is its ability to dry quickly. Thanks to its unique fiber structure, the product dries in just a few minutes, which is especially useful during intense workouts, mountain hikes or vacation trips to the beach.

The Naturehike towel can absorb up to 300 ml of water, making it extremely effective for use. Even with a large amount of water, the product quickly handles moisture, while being lightweight and easy to wring out.

When folded, the towel takes up minimal space (ø7 x 12 cm) and weighs only about 100 g. As a result, it will easily fit into any backpack or travel bag without adding extra weight to your luggage.

Specification:

- Material Polyamide (12%), polyester (88%)
- Weight approx. 100 g
- Dimensions 80 x 128 cm
- Dimensions after folding ø7 x 12 cm
- Color Olive green
