### Description

#### NFM EC Paint® Camouflage Spray – 400 ml

The **NFM EC Paint® (Equipment Camouflage Paint)** is a professional-grade camouflage spray developed according to **military specifications**. It is designed for effective camouflage of **weapons, equipment and gear** in operational environments.

Unlike standard commercial paints, EC Paint® is produced to meet **NIR (Near Infrared) requirements**, reducing visibility under night vision devices and residual light amplification systems.

## ORDER CONFIRMATION

---

- **NIR compliant** - reduced visibility under night vision
- **Matte finish** - minimises reflections in daylight
- **Developed for military use**
- **Suitable for weapons and equipment**
- **Easy to apply and removable from many surfaces**
- **Complies with EU environmental regulations**

## Performance and Application

EC Paint® is designed for real operational use where both **visual and infrared camouflage** are critical. The matte surface reduces glare, while the NIR properties help limit detection in low-light conditions. It can be applied to a wide range of surfaces including **weapons, tools, textiles, accessories and vehicles**.

The paint can be removed from many surfaces when required. For more thorough removal, a dedicated **NFM paint remover** is available separately.

## Available Colours

- RAL 9021 Black - NSN: 8010-25-152-220
- RAL 6031 Green - NSN: 8010-25-152-2203
- RAL 8027 Brown - NSN: 8010-25-152-2205
- RAL 6014 Olive - NSN: 8010-25-152-2204
- RAL 1001 Sand - NSN: 8010-25-152-2202
- RAL 9010 White - NSN: 8010-25-152-2200
- RAL 7006 Coyote
- RAL 7038 Grey

## Specifications

Type	Camouflage spray paint
Volume	400 ml
Finish	Matte, anti-reflective
Compliance	NIR (Near Infrared)

## Important Notes

- Use only as intended for camouflage applications
- Test on small area before applying to sensitive materials
- Use caution when removing paint from plastic surfaces

## FAQ

**What makes this paint different from regular spray paint?** It provides reduced visibility under night vision devices.

**Can it be used on firearms?** It is designed for weapons and tactical equipment.

**Is the paint permanent?** It is removable from many surfaces, and a dedicated remover is available.

**Does it reflect light?** It reduces reflections in daylight.
