Description

The SlideLock Carabiner provides convenient attachment with a locking gate. It's the classic carabiner with a Nite Ize innovation!

Nite Ize designed an innovative slide-to-lock feature that securely locks the gate with a simple push and slide movement, and unlocks when you want it to just as easily. Then, instead of a bulky tubular construction, NI designed a cross sectioned, rectangular stainless steel body that's durable, low profile, and slim; it feeds more easily through smaller openings and rests flat in pockets.

Size #6 is perfect for large items.
