Description

The angle lamp is a new lamp concept. It can be used as straight as a classic flashlight or with the head at a 90° angle. The magnetic base, functional eye and variable clip offer various usage options. Operates via the side switch on the head. Aluminum casing, waterproof according to IPX8. Runs on 2 batteries, Type CR123, or a rechargeable battery, Type 18650. Light levels 1000/400/190/50/1 lumens, plus strobe, beacon and SOS.

Includes: batteries, holster, lanyard, clip and replacement seal.

Length: 131 mm.

Diameter; 25.4 mm.

Weight: 104 g

Battery: 2 × CR123 incl, compatible with 18650 Li-on (rechargeable), 2 × RCR123

Nitecore

Founded in 2004, Nitecore is one of the world's leading specialists in the manufacture of LED flashlights and accessories and has the mission to produce products that exceed the customer's expectations. Proper equipment makes the difference between success and failure. Nitecore employees are campers, hikers, mountaineers and enthusiastic outdoor enthusiasts. They share the same opinion with their customers for the right equipment, because they understand what is needed. Such an understanding is their source of ideas and perfect designs.
