Description

Origin Outdoors Alcohol Stove (Spirit Burner)

The **Origin Outdoors Alcohol Stove** is a compact, reliable spirit burner designed for camping, trekking, and emergency outdoor cooking. Made from solid brass, it offers excellent corrosion resistance and long service life. Thanks to the screw cap with rubber seal, the burner can be transported safely without fuel leakage.

Aim of the Product

This alcohol stove is designed to provide a lightweight, durable, and easy-to-use heat source for outdoor cooking. It is ideal for minimalistic setups where reliability, simplicity, and compact size are essential.

Audience

- Campers and backpackers
- Trekking and hiking enthusiasts
- Bushcraft and survival practitioners
- Emergency and backup cooking users
- Minimalist outdoor gear users
