Description

Very beautiful, noble and nostalgic compass with sundial to determine the time. Thus, not only the direction, but also the time can be determined. Equipped with a fold-out dial, tilt angle, shadow ejector, three adjustable feet for aligning the sundial and a lateral transport lock for the compass needle. The handcrafted model is made of solid brass. Each compass is unique and a special gift for anyone interested in navigation and collectors. Comes in a beautiful wooden box.
