Description

Origin Outdoors Cooker Stand for Alcohol Stove

Origin Outdoors Cooker Stand is a lightweight yet highly stable support designed for alcohol stoves and compact outdoor cookers. With its minimal weight and robust aluminium construction, it provides reliable stability for a wide range of cookware during camping, trekking, and outdoor adventures.

Lightweight design with high stability

Weighing only **35 g**, this cooker stand is easy to carry while still offering excellent stability. The ribbed upper ends ensure a secure grip for pots, pans, and mugs, reducing the risk of slipping during use.

Versatile outdoor cooking companion

The stand is ideal for use with the **Origin Outdoors alcohol stove** and compatible spirit burners or compact cookers. Its compact dimensions make it easy to pack, while the aluminium construction ensures durability and resistance to outdoor conditions.

Key Features
