Description

Light, compact and bright LED camping lamp (300 lumens) with power bank function. The diffuse plastic housing creates a pleasant indirect light that radiates evenly 360°. As a small table lamp, it creates a beautiful ambient light. The fold-out suspension hook with snap lock offers many possibilities to hang up the lamp quickly and easily. The magnet built into the base makes it possible to attach the lamp to metal objects. It has 2 brightness levels and a strobe mode. Thanks to the built-in 1800 mAh Li-Ion battery and micro USB output, it can also be used as a power bank. It can be easily recharged via the USB input. The charging cable is included in the scope of delivery.
