Description

Very bright and versatile lamp with 1000 lumens and powerbank function. It is a camping lantern, torch and power bank in one. The plastic glass of the camping lamp is diffuse and the indirect light is emitted evenly 360°. It has two brightness levels, both as a torch and as a camping lamp. As a camping lantern, it also has a red light and a red flashing light. The attached suspension hook can be folded away, as can the handle on the side for use as a torch. The 2 built-in Li-Ion batteries with a total capacity of 4000 mAh can easily be charged via the USB input and with the micro USB output the lamp can be used as a power bank. The charging cable is included in the scope of delivery.
