Description

Very bright LED flashlight with 1000 lumens and powerbank function. It comes with a fastening clip and a practical magnetic tail, so it can also be attached to metal objects and allows hands-free and flexible working. It is water resistant, 3 light levels with a maximum range of 270 m, a strobe-mode and a SOS-function. Furthermore, the additional power bank function enables the charging of electronic devices whilst travelling, such as a mobile phone or camera. The powerful 18650 Li-Ion battery is charged via a Micro-USB connection. The battery and a 3-to-1 USB cable are included in the delivery.
