Description

Massive and portable rocket stove with unique features! Smokeless and concentrated flame distribution. No heat is lost thanks to the chimney effect, which shortens the cooking time. The rocket oven is set up in no time at all and has a comfortable cooking height. The reversible pan support can be used for a wok, pot or pan. It impresses with its compact design, large pot support and secure stand. Various materials such as wood, charcoal, wood pellets or branches can be used for firing.

- compact design
- ideal cooking height
