Description

Origin Outdoors Storm Matches Kit "Monsun"

Origin Outdoors Storm Matches Kit "Monsun" is a compact and reliable fire-starting solution designed for outdoor adventures and emergency situations. The waterproof storm matches ignite quickly, burn reliably even after contact with water, and perform in harsh weather conditions.

Reliable fire starting in all weather

The storm matches are fully waterproof and wind-resistant, allowing them to burn steadily even in rain, snow, or strong wind. With a burn time of approximately 15 seconds, they provide enough flame to ignite kindling or prepared fire material with ease.

Complete and reusable emergency kit

The waterproof and reusable transport box contains **20 storm matches** and includes **kindling wool** as well as a **spare striking surface**. Everything needed for quick fire-starting is safely stored in one compact container, making it ideal for camping, trekking, and emergency kits.

Compact and outdoor-ready

Thanks to its small size and robust design, the Monsun storm matches kit fits easily into backpacks, survival kits, or jacket pockets. It is a dependable companion for anyone who needs fire in unpredictable outdoor conditions.
