Description

No more bulky water bottles or canisters! The compact water bag (available for 2, 4 and 10 L) is equipped with webbing handles with buckles and can be attached to the backpack. The fabric on the outside is tear-resistant and waterproof, and the coating on the inside is suitable for drinking water. Many possible uses:

- Seat and pillows
- Weight compensation when paragliding
- Diving buoy (filled with air)
- Can be combined with outdoor hand filters and ORTLIEB drinking tube

A notice:

The water containers are only suitable for storing water (up to a maximum of 60°C; do not fill with alcoholic, sugary or acidic liquids!). Do not leave the filled container in the heat for too long and change the water as often as possible. Store dry and open after use. Treat the inside with denture care products and the outside with warm water, a brush and neutral soap. The valve must be cleaned regularly!

Color black
Material PS17L
