Description

Osprey Farpoint™ | Fairview™ Travel Daypack

The **Osprey Farpoint™ | Fairview™ Travel Daypack** is a versatile and lightweight 15L backpack designed to seamlessly integrate with the entire Farpoint and Fairview family of travel, trek, and wheeled packs. Whether used as a replacement daypack or an add-on to your travel kit, it provides comfort, durability, and functionality for smaller excursions or daily adventures. With a padded 16" laptop/hydration sleeve, multiple organization options, and a secure lockable main compartment, this compact pack is an ideal travel companion.

The daypack is built to extend the carrying capacity and versatility of your main travel pack. It ensures easy organization and security for essentials such as laptops, hydration systems, and valuables, making it the perfect choice for day trips, urban exploration, or short hikes while on longer journeys.

This pack is designed for **travellers, trekkers, students, and everyday adventurers** who value lightweight durability, smart organization, and compatibility with their main Osprey Farpoint or Fairview system.

- **Travel Companion:** Attaches securely to Osprey Farpoint and Fairview travel packs for modular packing.
- **Daily Carry:** 15L volume with internal and external pockets for essentials such as electronics, snacks, or guidebooks.
