Description

Outac Combo Mini Chest Rig 900D Poly MOLLE

Outac Combo Mini Chest Rig 900D Poly MOLLE is a **compact and modular tactical chest rig** designed for versatile field use. Constructed from durable 900D polyester with water-repellent coating, it provides excellent load management and comfort for professional, security, and outdoor applications.

Aim of the Product

To deliver a **lightweight yet functional chest rig** system that accommodates mission-critical gear while ensuring comfort, adjustability, and modular compatibility with other Outac and Defcon 5 equipment.

Audience

- Military and law enforcement personnel
- Security and tactical operators
- Airsoft and shooting sport enthusiasts
