Description

The OUTAC Field Ops Notepad Holder is designed for tactical and field use, providing a durable, user-friendly solution for carrying and protecting notepads and other essential items in challenging environments. This holder is built to withstand the rigors of outdoor and tactical environments. Optimize your tactical setup with the Notepad Holder Pouch, meticulously designed for superior durability and practicality. Ideal for military personnel, law enforcement officers, and outdoor adventurers, this pouch keeps all your essential writing tools and notes secure and organized in any situation.

Key Features:

- **Comprehensive Organization:** Features six slots for pens or pencils, a dedicated slot for a notebook, and additional space for tools like a small flashlight.
- **Specialized Compartments:** Includes a transparent section for notes or identification documents, enhancing convenience and security.
- **Versatile Carrying Options:** Comes with additional straps for neck hanging, allowing hands-free access while on the move.
- **External Identification:** The outside pouch features a Velcro panel for an identification patch and an exterior pocket for small accessories.
- **Secure Closure:** Equipped with a zipper that allows the pouch to open like a book, providing easy access to its contents without the need
