ORDER CONFIRMATION

- Security staff and shooting enthusiasts
- Airsoft and tactical sport participants
- Outdoor and survival gear users

Product Use

The **Outac Light MOLLE Belt 600D** is ideal for mounting holsters, pouches, and other modular accessories using the integrated **MOLLE webbing**. The belt's **side loops** enable the secure attachment of a leg holster, and the padded structure ensures superior comfort during long wear periods. Its adjustable one-size design fits a wide range of users and gear configurations.

Key Features

- Padded construction for enhanced comfort
- Made of rugged 600D polyester
- Adjustable one-size-fits-all design
- Side loops for attaching leg holsters
- MOLLE panels for pouches and accessories
- Equipped with a YKK buckle for reliability and smooth operation
- Lightweight and durable tactical design

Specifications

_ •
