## Description

Sensitive equipment needs protection, and since 1976 the answer has been the Peli™ Protector Case. These cases are designed rugged, and travel the harshest environments on earth. Against the extreme cold of the arctic or the heat of battle, Peli cases have survived.

Overview:

- 3-piece foam set
- Strong polyurethane wheels with stainless steel bearings
- Watertight, crushproof, and dustproof
- Open cell core with solid wall design - strong, light weight
- Easy open double-throw latches
- Fold down handles
- Stainless steel hardware and padlock protectors
- Automatic Pressure Equalization Valve - balances interior pressure, keeps water out
- O-ring seal
