Description

Ranger 2.0 Pants – Tactical and Outdoor Performance

The newly designed **Ranger 2.0 Pants** are made from durable 65% Polyester and 35% Cotton Ripstop fabric, weighing 215gsm. These pants are equipped with a mechanical stretch fabric, perfect for tactical, medic, range, or casual outdoor use. Featuring multiple pockets, reinforced seams, and stain-resistant technology, these pants offer the perfect blend of comfort, utility, and durability for any outdoor enthusiast or professional.

Key Features:

- **Durable Fabric:** Constructed with 65% Polyester and 35% Cotton Ripstop fabric, these pants are lightweight yet tough enough to withstand rugged environments.
- **Mechanical 2-Way Stretch:** Designed with a mechanical stretch fabric for enhanced mobility, allowing for better flexibility and comfort during physical activities.
- **Stain-Resistant Teflon™ Coating:** Treated with Dupont® Teflon™ to resist stains and make cleaning easy, even after the toughest tasks.
- **Reinforced Construction:** The seat patch is reinforced for extra durability, while the diamond crotch design allows for free movement without restriction.
- **Practical Pockets:** Equipped with multiple utility pockets, including a groin utility pocket, cargo pocket with utility flap, internal knee-pad pockets, and internal pockets within the cargo pocket for documents or small items.
