Description

Plastica Panaro MAX1090H280-H Waterproof Case

The **Plastica Panaro MAX1090H280-H Waterproof Case** is engineered to provide maximum protection for oversized and sensitive equipment. Certified to **IP67, STANAG 4280, DEF STAN 81-41, and MIL-STD 810**, this heavy-duty protective case ensures complete safety against water, dust, shocks, and extreme conditions. With its **215-liter capacity**, it is perfectly suited for *military, industrial, medical, photographic, diving, and outdoor applications*.

Made in Italy, the MAX1090H280-H is trusted by professionals worldwide for its **rugged construction, reliable sealing system, and certified durability**.

Key Features

- Watertight seal around the lid
- Automatic pressure release valve
- Easy-to-open double throw latches
- Load-tested soft-grip handle for heavy transport
- Holes for double padlocking
- Full-length hinges with corrosion-resistant nylon pins (30% fiberglass filled)
- Stackable design for efficient storage
- ATA300 Cat.1 certified for air transport
- UN4H2 certified for safe Lithium battery transport
