Description

Plastica Panaro MAX1090H410 Waterproof Case

The **Plastica Panaro MAX1090H410 Waterproof Case** is one of the largest and most durable protective cases in the MAX line, providing **300 liters of internal capacity** for oversized and sensitive equipment. Certified to **IP67, STANAG 4280, DEF STAN 81-41, and MIL-STD 810**, it ensures watertight, dustproof, and shock-resistant protection in even the harshest environments. Whether for *military deployment, industrial transport, professional photography, diving, or outdoor expeditions*, the MAX1090H410 guarantees uncompromising safety and reliability.

Trusted worldwide, this case combines **Italian-made precision, rugged design, and certified compliance**, making it the ultimate choice for professionals handling mission-critical gear.

Key Features

- Watertight seal around the lid
- Automatic pressure release valve
- Easy-to-open double throw latches
- Load-tested soft-grip handle for heavy loads
- Holes for double padlocking
- Full-length hinges with corrosion-resistant nylon pins (30% fiberglass filled)
- Stackable design for space efficiency
