Watertight case to transport
and protect fragile and
valuable objects.

Description

Max Cases are our watertight line, which was created to offer superior protection from the elements, water, dust and impacts when transporting fragile and valuable objects. IP67, ATA300 and military certifications make these cases suitable for a wide range of applications such as marine, photography & broadcasting, scuba diving, outdoor sports, medical, military, special corps, industrial packaging and even the manufacturing industry.

- Waterproof and dustproof
- IP67, STANAG 81-41 and STANAG 4280 certified
- Watertight seal around lid
- Automatic pressure release valve
- Easy to open double throw latches
- Load tested soft grip handle
- Thick body material
- Extra fixing points
- Stackable interlocking system
- Fully length hinges
- Nylon pins, corrosion free
- Cubed foams in the bottom and convoluted foams in the lid available as standard
- Screen printing space and rectangular resin label space on the lid
