Description

The 'Kuchoma' grill has an optimized design. The grill radiates direct and indirect heat. This makes it easy to prepare food. The grill grate with non-stick surface and collecting tray is easy to remove and cleaning. The Kuchoma grill can be operated with 100g, 230g and 450g valve gas cartridges or with usual propane and butane gas bottles. The adapter also serves as a pressure regulator with 1 bar (no further pressure regulator is necessary). A carrying bag is also available.
