## Description

The latest generation of wet shavers! High quality metal shaving head, 3-piece, matt chromium-plated, spacer and closed comb chrome-plated. To be **used with two blades** (using the spacer) or with **only one blade** (without using the spacer). With only one blade, it is particularly suitable for shaving the contours.

This safety razor produces less skin irritation by gentle pre-and post cutting and has a good foam and cut hair pairing. Ergonomically shaped handle made of solid stainless steel.

It is easy to clean, loosen the head slightly, rinse well and leave to dry until the next use.

Total length with one blade (without spacer): 101 mm / weight 84 g

Total length with two blades: 103.5 mm / weight 96 g

Delivery includes 10 RAZOLUTION shaving blades and instructions for use

**GIP® - German Innovative Products - completely manufactured in Germany** (Lizenz G. Wiethoff).
