Description

"Police Pen" ballpoint pen is constructed from a sturdy metal body, which is coated with a non-slip hard plastic layer. Its additional LED light ring at the tip, which is activated by repeated pressing, allows writing at night or in dark areas without having to hold an additional flashlight in your hand. Its high-quality workmanship and stability, as well as the optional activatable light spot, make it an ideal companion especially for nighttime operations and inspections.

Details:

- Robust metal housing.
- Anti-slip plastic coating.
- Non-slip, notched holding area.
- Flexible and extremely sturdy clip.
- LED illuminated ring at tip.
- Soft-touch finish.
