Description

Featuring all the benefits and unique features of the TraumaFix dressing above, the Military version is packaged to allow for the specialised environment in which it is likely to be used. Waterproof fabric packaging protects the dressing under extreme conditions. Green camouflage packaging, (a colour that is carried through to the dressing itself), allows serious wounds to be dressed and camouflaged simultaneously. A single use sterile product, carefully designed for a serious job.

Features:

- Now with Pressure Pad.
- Fabric waterproof packaging.
- Easy and fast self administration.
- Applies pressure whilst the casualty is being moved.
- Green camouflage packaging, with skin camouflage bandage.
- Made in UK
