## Description

# Riflecx Pocket Set - Basic Set for Weapon Cleaning and Care

The Riflecx Pocket Set is an essential cleaning and maintenance kit tailored for firearm owners, whether hunters, soldiers, or sport shooters. This compact and highly effective kit is packaged in an elegant box, making it an ideal gift. Riflecx products have been positively evaluated by the Military Institute of Armament Technology and the Military Air Force Institute, ensuring professional-grade quality and reliability.

### Set Includes

- Gun Cleaner (200 ml): A high-pressure cleaner for the thorough cleaning and degreasing of firearms. Its specialized formula removes carbon build-up and grime from all firearm components without overdrying or causing damage. Ideal for firearms and even kydex holster cleaning.
- Care Spray with Teflon (200 ml): Preserves and protects firearm

surfaces. Infused with Teflon, this spray fills in micro-pores and shields metal surfaces from corrosion without leaving an oily residue, ensuring long-lasting protection against rust.

• **CLP Oil (100 ml):** A CLP synthetic oil designed for the precision lubrication of moving parts. Its strong adhesion to surfaces provides excellent resistance to abrasion, high pressure, and temperature, ensuring smooth operation.

### Packaging

All components come in a sturdy, elegant carton box, designed for easy storage and transportation.

Country of Origin: Poland
