Description

Rite in the Rain All-Weather Printer Paper A4 - 200 Sheets (No. 8512)

The **Rite in the Rain All-Weather Printer Paper** allows you to print your own **waterproof forms, maps, diagrams, checklists, and documents** using standard laser printers or copiers. Thanks to its patented acrylic coating, the paper remains fully usable even when wet and can be written on in damp or harsh conditions.

Unlike synthetic waterproof sheets, this paper is made from **fully recyclable, wood-based material**. It will not melt, curl, or build static electricity inside printers, and toner stays permanently bonded to the surface—even after exposure to water, sweat, grease, or mud.

Aim of the Product

This paper is designed for organizations and individuals who need reliable printed documents in challenging environments, such as outdoor work,
