Description

This versatile four-person tipi has great headroom and features an offset centre pole for easy access to the large porch and inner. This pole lifts the outer from the ground to create a gap to aid air flow. Small corner poles are sewn into the inner to create a wall that adds extra useable space. To save weight, remove the inner and adjust the telescopic centre pole so the outer sits close to the ground - the perfect bivvy tent.

Specification:

- Frame Aluminium 7001-T6, 22 mm
- WC 5.000 mm
- WC floor 10.000 mm
