Description

The two Moraine sleeping bags offer low weight and compact pack size perfect for travel and backpacking in warmer climates thanks to the lightweight construction and the trapez relaxed cut that provides a comfortable level of freedom to move while maintaining performance. Fully featured, with high quality YKK L-shaped zip for ventilation at feet and an insulated zip baffle, they use the innovative MicroThermo filling that provides good insulation and compressibility.

- Color - brown
- Full open L-shaped zip - opens out flat to be used duvet-style
- Long lasting insulation value
- Comfort mummy shape enhances freedom of move
- Hood drawcords use different thicknesses for quick, easy adjustment by touch
- Anti-snap zip guard
- Compression stuff sack
- Inside pocket for valuables
- Lining material with high moisture transport for comfort
- Hanger loops
- Small pack size
- PFC free
